CURRICULUM VITAE

Inés Valdivia Urbano

Madrid, Spain +34 637 992 770 inesvaldivia02@gmail.com Portfolio →

PROFILE

Telecommunication Engineer (Sound and Image) and Audiovisual Communication graduate. A technical and artistic background that lets me streamline workflows: I build custom tools to organise, analyse, plan and automate tasks at every stage of the process.

EXPERIENCE

Visual and Audiovisual Identity Designer
Dec 2025 - Present

Melboss Music SL - Madrid

Concept and design of campaigns promoting music artists. Creation of the visual identity and of audiovisual and graphic assets for social media and releases.

Production, Editing and Post-production Lead
Nov 2025 - Present

Oníricom Comunicación SL - Madrid

Production of multi-screen audiovisual pieces and editing of institutional audiovisual pieces on heritage, culture and the environment.

Project Coordinator and Content Creator
Jan - Jun 2025

Inspiring Girls Foundation - Panama

Projects for women's inclusion in the workforce: planning training workshops, motivational talks and mentoring sessions with women professionals. Design of the initiative's audiovisual and graphic content.

Co-founder and Producer - Raval Producciones
Dec 2022 - Jan 2024

University production company - Valencia

Co-founded and ran a university audiovisual production company: organisation, budgets and scheduling. Production, directing and post-production of socially focused projects.

Production Assistant
Oct 2024

Cargo Music SL - Madrid

Production of the Clazz Latin jazz festival at Sala Berlanga, Madrid: coordination with artists, technical crew and suppliers, logistics planning and on-site production support during the concerts.
